Statute of limitations; losses and proofs; Williams consultations.

My 12/29/72 letter to Clapp shows I was staying in touch with Morse during 1965 nad had seen oe tried to see Williams and Taft 10 times in 1966. Of these three are Williams. Only once in 1967.

I don't know what this can be made to mean but if almost once a month I tried to see my Lawyer I think it does not represent disinterest on my part.

(Whateise was I to do - take a club to him?)
